

Once again, residents of San Francisco's District 7 have an opportunity to participate in budgeting for projects in our neighborhoods through the Participatory Budgeting system. It was through this system that Midtown Terrace got the interactive speed limit signs on Panorama and Olympia and the crosswalk at Panorama and Twin Peaks. Of particular interest to Midtown Terrace this year are proposals to remedy a hazardous situation at the Sutro Reservoir on Clarendon (next to the Midtown Terrace playground) and to establish a crosswalk across Clarendon where it intersects with Dellbrook. These two proposals are:

**A Dangerous Ditch Surrounding Sutro Reservoir Needs A Grate.** (Culture Category)

Surrounding the base of the Sutro Reservoir is a cement ditch that is 16" wide and 16" to 24" deep. The ditch is open and does not have a grate cover. The ditch is adjacent to a surrounding walkway. We want a grate covering this ditch. Many pedestrians, small children and bike riders, skateboarders, dog walkers, people with disabilities, joggers, and mothers with baby strollers are using the SFPUC walkway. The ditch is hard to see. One senior has already fallen into the ditch, small dogs have been trapped and children's toys have often fallen into the ditch.

**Clarendon Crosswalk: Safe Pedestrian Access for Neighbors & Trail Users (Pedestrian Safety Category)**

This project funds safe pedestrian access to parks and open spaces that provide invaluable recreational opportunities for residents throughout the City. A crosswalk with a pedestrian-activated beacon on Clarendon Avenue at Dellbrook Avenue will improve both pedestrian and traffic safety, while helping neighbors and hikers at a currently unmarked and uncontrolled crossing that connects citywide trails between Mount Sutro to Twin Peaks and beyond, including the Bay Area Ridge Trail route. (Pedestrian Safety Category)

Below (and in the attached flyer image) are the details of how you can vote to obtain funding for these proposals.

## VOTING ELIGIBILITY

**District 7 Residents age 16 and older can vote! Not sure if you live in D7? [Where's my district?](#)**

## VOTE

**Online: [bit.ly/District7PBVote](https://bit.ly/District7PBVote)**

**In-Person:**

**West Portal and Ingleside libraries**

**Supervisor Yee's office City Hall, room 268**
