

Dear Sir or Madam,

Virgin Sport aims to move people through sport and change the health and wellness game for good. We are working to host the inaugural U.S event in San Francisco on **Saturday, October 14<sup>th</sup> and Sunday, October 15<sup>th</sup>, 2017**. The event series is proposed to include an Event Village with a variety of fitness activities at Civic Center Plaza, a Saturday morning 1 Mile Hill Climb up Twin Peaks and a Sunday morning Half Marathon. We are working closely with the City of San Francisco to ensure permitting and community impact are properly addressed and are writing now to inform you of the impact in your area.

The 1 Mile Hill Climb up Twin Peaks is proposed to be held Saturday, October 14<sup>th</sup> in the morning on Twin Peaks Blvd from Portola Drive to the top.

The Half Marathon is proposed to be held on Sunday October 15<sup>th</sup>, beginning and ending at Civic Center Plaza. There will be **road closures** in your area in coordination with the SFPD. These roads will be closing to allow runners to pass through and will reopen on a rolling basis as the final runners pass through. Please see our preliminary map of the course route for the Half Marathon and the estimated timing for the road closures below. San Francisco Police Officers, as well as race marshals, will be on hand to assist both runner and vehicular traffic.

**Sunday, October 15<sup>th</sup>, Half Marathon General Road Closures and Timing:**

Most roads along the race route are planned to close at 5:30AM on Sunday, October 15<sup>th</sup>. The race is scheduled to commence at 7:00AM with a rolling re-opening of the streets after the last runner passes through. An updated schedule of exact streets, time of closures and detours will be sent in a future update.

**Sunday, October 15<sup>th</sup>, Half Marathon Road Closures in the Civic Center Area:**
